PANCE Candidates Simulated Practice Exam 360 Questions with Explanations

The best possible way to prepare for the Physician Assistant National Certifying Exam!

The PANCE Practice Exam has been developed with the advanced PA student in mind. This practice exam is designed to simulate the experience of taking the actual PANCE. Like the actual exam, it contains 360 questions distributed over six blocks of 60 questions each. Topics are presented and tested based on the percentages provided in the NCCPA PANCE blueprint, including body systems and tasks.
