**Karius SPECTRUM and FOCUS BAL**  
**a Dinner Presentation for**  
**Tennessee Academy of Physician Assistants**

**Where:** Maggiano's Little Italy

3106 West End Avenue; Nashville (615-514-0270)

**When:** Tuesday, June 24 at 6:00 PM

Presented by the local Karius Team\* at a dinner event highlighting the **Karius SPECTRUM and FOCUS BAL** tests based on metagenomic next-generation sequencing of microbial cell-free DNA. These powerful diagnostic tests quickly detect 1,000 DNA-based bacteria, viruses, fungi and parasites to speed up diagnosis of infection and/or help optimize antimicrobial treatment.

\*Wiyanna Bruck, PharmD, BCPS, BCIDP, BCPPS

\*Rebecca Edmondson - Account Manager
